

Councilmember Bill Pease *has* made a difference!

I have served on the Fremont City Council for the past 8 years. I am 55, married 35 years, with three grown children. A USAF Vietnam Veteran, a member of the Irvington Business Association for 17 years, and a past Board Member of the Fremont Chamber of Commerce, with over 30 years of business experience. **Many areas of Fremont need addressing i.e.** traffic flow, street maintenance, public safety, etc. One major problem that needs correcting is missing sales tax dollars. Fremont has missed many retail business opportunities during the past 25 years. City Hall needs to become more business-friendly. Fremont cannot afford to lose over 1 billion dollars in missed retail sales year after year. I will set our City on the road to building better relationships between businesses both established and new. As Mayor, I'll help resolve the many issues facing Fremont. When elected we will set sail on a new venture. My campaign focuses on people, property, and progress. *I ask for your vote on November 2nd.*
